

Northwest Coin Club
Evaluation Form for Judging Exhibits
(Maximum Possible Points: 100)

1. Title and Scope (10 Points):

Does the title of the exhibit (and/or the statement of its scope, if included) clearly convey what the Exhibitor intends, by the exhibit, to show? _____/10

2. How well the exhibit tells a numismatic story (20 Points):

Does the exhibit relate coins, medals, or other numismatic items to a historic, economic, geographic, artistic or other non-numismatic theme? Does the exhibit provide enough detail about the numismatic items to effectively tell the story? Put differently, to what extent has the Exhibitor achieved the goal set out in the exhibit's title and scope? _____/20

3. Attractiveness (20 Points):

Is the exhibit neat, well designed, and eye-catching? Are the title and labels easy to read? Spelling and grammar count. _____/20

4. Degree of Difficulty (10 Points):

Is the material shown common and frequently seen or is it unusual and not frequently available in the numismatic market? The cost of the material should not be considered. _____/10

5. Creativity, Originality (20 Points) :

Is the exhibit novel and imaginative in concept, content, scope, design, and presentation? _____/20

6. Inspirational Capacity (20 Points):

Is the Exhibit likely to inspire others to pursue numismatics in general or the exhibit's topic in particular? _____/20
