Eric P. Newman was born on May 25, 1911. He died on November 15, 2017, at age 106. In his long life he established a fabulous collection, wrote numerous articles and books, and acquired an impeccable reputation for integrity. He endowed the Eric P. Newman Numismatic Education Society [EPNNESE] and later the Newman Numismatic Portal.

The July program will be presented by NWCC Club Historian Pete S. He will talk about Eric Newman based on the biography of Newman. *Truth Seeker: The Life of Eric P. Newman* and may include some personal recollections.

John J. Ford was born on March 5, 1924, and died on July 7, 2005. He was one of the most prominent and successful coin dealers of his time.

The relationship between Newman and Ford began with friendship and cooperation. It developed into one of the greatest feuds in numismatic history. The issues in dispute were important in shaping collectors views of several very expensive coins offered during the Ford era.

The July educational program will focus on this feud and may also include some personal recollections of Ford.

The 2019 American Numismatic Association World's Fair of Money® will be at the Donald E. Stephens Convention Center in Rosemont, Illinois, August 13-17.

On Thursday, August 15, at 9:00 a.m., NWCC member Franklin N. will give a "Money Talks" presentation. The topic will be "A New Constellation: Nova Constellatio Coppers & the Birth of the Republic." Franklin is also expected to have an exhibit of these coins at the convention.
