

THE NORTHWEST COIN CLUB

Newsletter – November 2019

P.O. Box 18053 Minneapolis, MN 55418-0053

The **November Meeting** of the Northwest Coin Club will be on Thursday, November 14, 2019, at the Kenwood Community Center, 2101 West Franklin Avenue in Minneapolis. Informal discussion begins at 6:30 with the business meeting beginning at 7:00.

The **November Program** will be about numismatic exhibits with three speakers. Pete S. will talk about traditional competitive exhibits at Central States and the ANA shows. Ron S. will talk about exhibiting at the Minnesota State Fair. Greg B. will talk about potential exhibits during National Coin Week. Any of these exhibits will be considered for our NWCC Money Show in March of 2020.

Dan Hansen helped to save a life at the M.O.O.N. Show.

The Minnesota Organization of Numismatists (M.O.O.N.) rents show cases and lights from the NWCC for use at the M.O.O.N. Show. In recent years, Dan Hansen has been responsible for transporting cases from the club storage trailer to the show and back. He also sets out the cases at the show and packs them up at the end of the show.

Dan was attending to these duties on the morning of Friday, October 11, 2019. An employee of Golden Valley Coin collapsed in the garage area and Dan rushed to his aid. Bill Norberg called out for help and David and Mary Jo Gurney also rushed over from their table. An employee of the Earle Brown center quickly brought an automated external defibrillator (AED).

Mary Jo Gurney has worked as an Emergency Medical Technician (EMT). David Gurney works as a captain at Rush City Prison as has helped with medical emergencies at the prison. Dan is a certified trainer for CPR and AED at the Mill City Museum.

Dan opened the victim's shirt and followed the instructions that come with the AED. When the AED called for an electric shock, they administered the shock. Dan performed chest compressions and Mary Jo provided ventilation. David Gurney assisted Dan with the chest compressions.

Tracy Orr called 9-1-1 at 9:49 A.M. She said that Dan was calm and did an amazing job. Police arrived in a few minutes with an ambulance arriving shortly after. The victim, Tom Haider, was taken to North Memorial Medical Center. Doctors found that he had 100% blockage of one artery. A stent was inserted and he was put into an induced coma to help with his recovery.

Doctors reported that people in his condition have a 2% chance of survival. He came out of the coma two days later. He had a broken sternum and cracked ribs from the chest compressions. Three weeks after the show he was reported to be recovering but will not be able to return to work for several more weeks.

EXHIBIT AT THE NORTHWEST COIN CLUB 2020 MONEY SHOW!

Exhibits can transform a conventional numismatic marketplace into an intellectually stimulating marketplace of ideas. Exhibits make our club's Annual Money Show a more enlightening experience.

Enhance the enjoyment of your collection by sharing it and your knowledge with others. The **2020 Northwest Coin Club Money Show** will run from March 20 to March 22, 2020. Some who exhibited at last year's Northwest Coin Club Money Show, went on to win awards at the Central States Numismatic Society's annual convention, the American Numismatic Association's "World's Fair of Money," and the Minnesota State Fair.

This year, the Northwest Coin Club plans to judge the exhibits, and confer First, Second and Third place awards. Exhibits will be evaluated by judges using the criteria set forth in the attached evaluation form. In addition, there will be a "People's Choice Award," for the most popular exhibit as measured by the votes of Money Show attendees.

To further inspire, the presentation at November's Northwest Coin Club meeting will be devoted to exhibit preparation. Pete S., Ron S. and Greg B. will cover some of the nuts and bolts of exhibit preparation.

All manner of exhibit formats will be welcome. Exhibits can be displayed vertically in a frame (like at the Minnesota State Fair), lie flat on a table top in one or more dealer cases (like at traditional coin conventions), or conform to the format of a "science fair" poster board triptych (like National Coin Week displays).

To assist the judges, and to ensure we have enough space for all who want to Exhibit, exhibitors must submit an Exhibit Application, (form attached) and submit it to the Exhibit Coordinator no later than February 1, 2020. Exhibits may be submitted via US Postal Service, by mailing your Exhibit Application to the Northwest Coin Club at:

P.O. Box 18053, Minneapolis, MN 55418-0053

OR

Attach your Exhibit Application to an e-mail and send it to:
